VISITOR MAP

Glossop Caravans is one of the UK's leading dealers, situated on the fringe of the country's first National Park in the Peak District.

As a family owned and run business, brothers Stan and Brian Laing developed it from a fledgling company selling second-hand caravans to a thriving caravan and motorhome dealership, working in close partnership with Britain's top three manufacturers – Coachman, Elddis and Swift.

Whilst you are here you can also visit the largest awnings showroom in the UK, Glossop Awnings, and The Shop, selling over 3000 choices of caravanning essentials.

Lee and the team invite you to browse at your leisure, all our caravans & motorhomes are unlocked. Look out for one of our friendly staff members when you are ready for help.

On new caravans you will find Mike, Eddie and Adam
On family caravans you will find Robert and Shaun
On two berths you will find Oliver and Gabi
On motorhomes you will find Howard, Gary and Ellis

Enjoy your Visit!
